Dear McDole Parents, Students and Teachers,

We know that with state of the economy it is getting tougher to raise money for the extras at school. What if you could help without buying anything different than you are now?

You can help our school raise cash simply by saving plastic Swiss Valley Farms milk jug caps and bringing them in to school. We will collect them throughout the year and send them to Prairie Farms for cash. With the CASH for CAPS program Swiss Valley Farms is donating *5 cents per cap* collected to each participating school. The cash can be used any way our school chooses. If you already buy this brand, this is a win-win situation for our school.

The caps can be found on gallons and half gallons of Swiss Valley brand milk and orange juice. Please ask other people you know who use Swiss Valley products to save these caps for us! Students can bring the caps to school and put them in the box tops and labels collection boxes.

The caps can be sent in year round so start saving those caps! Please contact Dawn Lutter @ emilyrae1415@yahoo.com with any further questions.
